

# The Stars Of High Efficiency

Ultra-efficient air conditioners and heat pumps with ultra-cool features for you and homeowners. These ENERGY STAR® qualifying models can put smiles on your customers' faces come bill paying time.

- Industry-leading No Hassle Replacement™ limited warranties
- Ultra-small air conditioners and heat pumps
- Enhanced coil guard and corner posts for superior protection
- Compact design includes optimized 7 mm coil for robust performance
- Comfort Alert® diagnostics for easier service
- Quiet, long-lasting scroll compressors

*†Many models are ENERGY STAR® qualified. Ask your contractor for details or visit [www.energystar.gov](http://www.energystar.gov). Timely registration required for 10 year parts limited warranty. Limited warranty period is 5 years for parts if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty period. Please see warranty certificate for further details and restrictions.*
