

# Easier Than Ever To Sell

## VS 95 Features Benefit You and Your Customers.

- Four-position design for installation flexibility
- Quiet performance, with thermal-lined steel cabinet, insulated blower compartment, and solid doors that seal the combustion compartment
- Two-stage heating operations in quieter first stage 70%–80% of the time
- Durable stainless steel RPJ® III weld-free heat exchanger

Timely registration required for 10 year parts limited warranty and lifetime heat exchanger limited warranty. Limited warranty period is 5 years for parts and 20 years for heat exchanger if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

Meets California low NOx emissions standards.  
Many models of Tempstar® gas furnaces are ENERGY STAR® qualified.
